At ten a.m. there will be a special Mothers' Day service in the Sunday-school, to which all parents are invited. The hour is changed from the afternoon and for the summer, Sunday-school will be held in the morning. Any person having items or news for the Era is asked to please leave them at Steer's store by Monday of each week.

The feature of the evening was a two-act play, entitled "Art Thou Barabaras?" enacted by the Queensville players, which was well staged and was enjoyed by all.

You will be pleasantly surprised at the low cost of Era printing.

### George Muir Began As Printer's Devil With Era 62 Years Ago

Sixty-two years ago Wednesday George Muir started as a printer's devil with The Era under Erastus Jackson.

In those days apprentices signed an agreement to serve five years, and boarded with their employer for the apprenticeship. The remuneration was \$1 a week and board, with an increase of 25 cents a week each year of the apprenticeship.

Apprentices were boarded by the employer even though their own homes might be, as Mr. Muir's was, in the town.

Other apprentices at that time were Eli Jackson, a half-brother of Erastus, J. E. Hollingshead, who afterwards was a teacher at the high school, and Wm. Pegg. Charles Mortimer was the foreman and Lyman Jackson, son of Erastus, had already served his apprenticeship.

Mr. Muir was away two or three years following completion of his apprenticeship, working in northern Michigan lumber camps. He returned to The Era in 1883, working here occasionally until 1888, when he became foreman. He occupied this post until 1930. The winter of 1888 he spent in Ottawa helping to set Hansard by hand.

Mr. Muir was 78 years old in January. His hobby in recent years has been painting. Art has been his recreation all his life.

He is a son of Alexander Muir, who composed "The Maple Leaf Forever."

When Mr. Muir started the newspaper type was all set by hand, and the newspaper press was turned by hand. There were power presses by 1885, and type-setting machines by 1900.

### Judges Name Winners For "Round The World" Contest

Queensville, Kettleby, Share  
Puzzle Prizes With  
Newmarket

Miss Lenore Cutting of R. R. 1, Kettleby, topped all other contestants in the "Round the World" contest to win the first prize of \$10. The second prize of \$5 goes to Mrs. Arthur D. Evans, Newmarket. Mrs. H. R. Cowieson, Queensville, won the \$3 third prize.

A prize of \$2 has been awarded Mrs. E. G. Holmes, Moreland, Sask. Winners of the \$1 prizes are: Chas. C. Cook, Armitage; Kathleen Black, Kettleby; Joseph Durham, Queensville; Grace E. Barker, Sharon R. R. 2; and Stuart S. Starr, Newmarket R. R. 3.

The contest judges worked late at night, going through the solutions. The answers in many cases were close, and these have been carefully double-checked. There has been no time to inform winning contestants of their success. Many of them, therefore, will learn of their award for the first time when they read The Era today. Cheques are being mailed to them.

RETURNS TO DUTY

Newmarket townfolk were glad to see the blue-clad form of Chief of Police Thomas Hall once more striding down Main St. The few weeks of rest has helped a lot and the chief says he is "right as rain" again.

No one managed to get all the answers right, but nearly all showed a goodly percentage of correct solutions. The puzzles were not intended to be easy. The judges wish to express their appreciation of the neatness with which the answers were submitted. This helped to avoid the confusion which might otherwise have developed and enabled them to judge the answers accurately.

Mrs. E. G. Holmes, whose solution came all the way from Saskatchewan, sent her answers into The Era office packed in a miniature hand-made suitcase, labelled "Round the World."

The Era is glad that so much interest was taken in the contest. A list of correct titles is published on page three.

### Millionaire Sportsman Was Once Mount Albert Barber

Lost Several Millions In  
Crash Of 1929 But Made  
Good Again

F. G. "Teddy" Oke, Toronto mining broker and famed sportsman, who died last Friday at the age of 51, was once a Mount Albert barber. He was at one time said to be a multi-millionaire.

Born in Uxbridge, a Mount Albert barber-shop was a passing phase in a colorful career. It is said that while living in Sauli St. Marie in 1905 he had 22 different jobs. While a clerk in a store in Halleybury, he began to study mining.

He became a pro baseball, lacrosse and hockey player, served overseas, became a mining broker, made money by the bushel. F. G. Oke and Company had offices in Kitchener, London, St. Thomas, Orillia, Lindsay, Windsor and Peterboro.

At one time he operated an international hockey league, owning a Toronto team and several U. S. teams. He finally quit, disgusted by the lack of public interest. He financially backed George Young and Ethel Catherwood. He finally turned his sporting interest to the Parkdale Ladies' Athletic club.

In 1929 he was ruined and adjudged bankrupt, and lost a lot of his former friends, but he made a substantial come-back.

TALKS ON CORONATION

Eric Pendleton of Toronto was the speaker at the regular Sunday afternoon meeting of the Newmarket branch of the British Israel Federation, speaking on "The Throne."

The subject is uppermost in everyone's mind at the present time, and Mr. Pendleton is a speaker who can hold the attention of his hearers. It was Mr. Pendleton who gave the address to the Newmarket branch on the passing of the late beloved king, George V., and it seems fitting that he should be the one now to give the coronation address of the new king, George VI.

This evening Rev. E. J. Springett, who needs no introduction to Newmarket audiences, speaks in the Presbyterian church at 8:15, D.S.T., taking for his subject "Prophecy fulfilled at the Coronation."

All who are interested will welcome the chance to hear the dominion commissioner in person after hearing his splendid radio addresses.

Next Sunday afternoon E. Vincent will be the speaker, and the following Sunday Miss Mabel Harbour.

HOME PURCHASED

The residence of the late Miss Foote on 16 Prospect St. has been sold to Miss E. Devigne of St. Andrew's College, Aurora.

It is quite an honor to the town," stated N. L. Mathews, K.C. "There are only two towns in Canada which will be visited by this team, Newmarket and Brampton," said J. O. Little, who chanced to be present.

"Brampton will extend a civic welcome, and take the visitors to see the date estate and the Bull jersey farm. It is an honor to have those people. I don't expect it is going to cost us very much."

I can tell you what Brampton is doing, and I say that Newmarket is a better town than Brampton."

"Would you like to be quoted in the Brampton papers on that?" Mr. Mathews asked Mr. Little, who formerly lived in Peel county.

"It would be quite all right," replied Mr. Little.

A letter from N. C. Hart, president of the Provincial Lawn Bowling Association, stated that the South African team would play here on Thursday, June 24.

"In all places, large or small, official public receptions with luncheon or banquet have been included," Mr. Hart wrote, stressing the occasion as an opportunity to bind the ties of empire.

### Unsatisfactory Now, M.O.H. Tells Council

Would Have Town Collect  
Garbage And Ashes  
From All Homes

DALES MAKES MOTION

Municipal garbage collection is a probability as the result of recommendations made to the board of health by the town council on Monday evening. Dr. J. H. Wesley, M.O.H., endorsed the proposal.

A resolution sponsored by Reeve Dr. W. Dales asked that the board of health recommend what action should be taken. Garbage and ashes could be removed at half the present cost of removing garbage, Dr. Dales said.

"As you read in the paper last week I made a survey of the garbage situation in the town," Dr. Dales said.

"To my great amazement the garbage was being dumped over a front of 75 yards. A number of dogs ran away that had been digging into the mess."

"I found a dump down at Fairy Lake. There is also a place the needs to be cleaned up down on Eagle St. There were manure piles right near the sidewalk on

several streets.

"People are making an effort to keep their places clean. It has been costing them 50 cents a month. All the garbage could be removed by a town employee at a cost of 20 cents a month."

"A man told me tonight that people at night dump garbage on Charles St.," said Dr. Boyd.

"It's all done at night," said Councillor Wm. Dixon. "That's the trouble over at the fair grounds."

"A man spoke to me tonight and said Dr. Dales has the right idea about the garbage," said Mr. Mathews.

"We would save money," said Dr. Boyd. "People would pay only half of what they pay now."

"If you go down to the dump, you will be nauseated," said Dr. Dales.

### Board Of Health May Make War On Mosquito Nuisance

Oil Spread On Ponds Kills  
Mosquitoes, Provincial  
Department Advises

Action to rid the town of the mosquitoes which have swarmed into homes in recent years in spite of all efforts to control them is likely to be taken by the town council and the board of health.

Reeve Dr. L. W. Dales raised the question at Monday evening's council meeting, and on motion of himself and Deputy- Reeve Joseph Vale the matter was referred to the board of health for recommendation.

Appearing before the council regarding other matters, Dr. J. H. Wesley, M.O.H., stated that the board would be glad to deal with the matter if a complaint regarding the mosquitoes were made.

Members of the council were enthusiastic about the proposal.

"In the last two or three years the mosquito nuisance has become terrific," Dr. Dales stated.

"I understand that it is only a matter of putting oil on the stagnant pools. Running water is not a source of mosquitoes."

Dr. Dales read a letter which he had received from the provincial department of health,

explaining how the mosquito nuisance might be abated by spreading waste motor oil, diluted with coal oil, on all stagnant water about the town. The letter stated that Orillia had used this method with success.

"The bowling club will be grateful to you if you can do something with the mosquitoes," Mayor Dr. S. J. Boyd told the Reeve.

Dr. Dales asked Councillor Frank Robinson that waste oil from the town's trucks be saved for this purpose. Councillor Wm. Dixon said that the town's garages should be asked to save waste oil.

Marketing Act Described

To Holland Marsh Growers

Producers Will Seek One  
Hundred Per Cent  
Regulations

"Proper inspection and grading of produce is one of the foundation-stones of co-operative marketing," Prof. J. W. Day told a large gathering of growers from the Holland Marsh in the Bradford town hall on Thursday night.

"You must grade properly to sell properly," he added.

"I got a pleasant surprise when I counted up the number of signed contracts," the professor said. "I thought we had between 75 and 80 co-operative contracts signed, but I find on counting them that there are 94."

At the close of the meeting a group of men came to the front to add to the number and it is estimated that there are about 110 contracts now signed.

Mr. John Rupke told the meeting of the trip taken by some of the co-operative executive to see what the Essex group were doing. There the producers had rented a railway shed for their headquarters.

The premises can be satisfactorily located in Bradford.

Efforts to get the banks to make loans for seed and fertilizer had failed. "They want to do business but don't want to give credit," Mr. Rupke stated.

"Those of you with trucks should get together," Mr. Rupke advised, stressing the need for proper trucking facilities for the growers. The matter of appointing auditors and a sales manager is still to be arranged. It was thought advisable to have several audits through the season, but the matter of expense had to be considered, he felt.

Prof. Day then introduced W. B. Somerset, Ontario marketing commissioner, who spoke on the new farm products control act.

DEATH FOLLOWS

HUSBAND'S SHORTLY

Exactly two months after the death of her husband, Mrs. John Rolland died at her home in the north end on Saturday, after a week's illness, in her 62nd year.

Formerly Annie Fleming, she was born at Alliston and was married there. Mr. and Mrs. Rolland moved to Newmarket 20 years ago. Mrs. Rolland was a member of St. Paul's Anglican church.

There survive two daughters, Mrs. Ross Squires, Mrs. Ben Brewer; two step-daughters, Mrs. John Milton, Mrs. Roy Staley; three grandchildren and one great-grandchild.

Rev. A. J. Patstone conducted the service at the home on Tuesday. Interment took place at Newmarket cemetery.

Realizing that the province was strewn with the wreckage of organizations that had failed because a small percentage of those who should have belonged had refused to join, the government had enacted this legislation, he said.

"It is one of the most beneficial acts ever passed," the speaker said. "Under it organized growers can compel buyers to take out licenses and to buy only through the board established by the co-operative."

"They will use the provisions of the act in Essex," the commissioner stated. "Experience has shown that where marketing is done properly, consumption can be increased," he continued.

Stressing that the production and price could not be controlled under the act, he suggested that rather than cut down production, the growers might be better advised to try to develop their markets further.

### Indigent Medical Scheme Costs \$400 More, 11 Months

Tax Arrears Collections Are  
Still Good, Clerk  
Reports

Tax arrears collected so far this year are \$10,877.39, or \$2,700 more than two weeks ago. N. L. Mathews, K.C., clerk and solicitor, reported to the town council on Monday evening. Penalties collected amounted to \$1,231.20.

"We are still making a drive," Mr. Mathews said. "We have gone through the tax register. I have written personal letters to all sufficiently in arrears. A lot of people have come in. Some people have been very nasty. A lot of others are making arrangements to pay."

"Why am I charged business tax for 1927 when I wasn't in town in that year?" asked Thomas Niles.

"You pay in 1927 for 1926," Mr. Mathews explained, and Mr. Niles agreed to settle the disputed amount.

Reeve Dr. L. W. Dales, answering an inquiry made at a previous council meeting by Deputy- Reeve Joseph Vale, gave figures showing that the new system of the town paying half of medical indigent accounts of local doctors had cost the town \$515.95 in 11 months compared to \$116.65, which would have been

the town's share of the cost under the old relief scheme.

"How many people would that represent?" asked Councillor W. W. Osborne.

"There have been an average of about 121 people a month on relief," said Dr. Dales.

"But they wouldn't all get medical attention," said Mr. Osborne.

"This scheme applies to all indigents," said Mr. Mathews. "If they can't pay, we pay."

"Why should the taxpayer have to pay?" asked Councillor Arthur Evans. "We have to pay

## WEDDING

**Cumber - Broadhead**  
A wedding of interest to Newmarket people was solemnized at the home of Mr. and Mrs. E. Broadhead, Dingwall Ave., Toronto, on Friday, when their daughter, Marie Elizabeth, became the bride of Arthur Cumber, son of Mr. and Mrs. T. G. Cumber of Newmarket. The rooms were beautifully decorated with snapdragons, carnations and daffodils. Rev. Hugh McDiarmid officiated. Miss Marguerite Nichols played the wedding music and Miss Marjorie Tustin sang "Because."

Given in marriage by her father, the bride wore a graceful gown of white lace with full skirt and tight jacket. She carried a colonial bouquet of roses, carnations and sweet peas, and wore a wreath of orange blossoms in her hair.

She was attended by her sister, Mrs. Melvin Good, frocked in blue net trimmed with pink with matching girdle and bandeau in her hair. She carried a bouquet similar to that of the bride.

Hornee Cumber of Newmarket, brother of the groom, was best man. At the reception which followed Mrs. Broadhead wore a gown of navy and white with a shoulder bouquet of roses. Mrs. Cumber wore wine triple sheer with a shoulder bouquet of roses. On their return from a motor trip, the bride and groom will live in Toronto. For travelling the bride wore a navy and white dress with navy necessities.

## Lacrosse Enthusiasm High As Talagoos Swing Into Practice

Lacrosse prospects, as reviewed at an executive meeting in the council chambers on Tuesday night, are very bright for Newmarket. About 25 lads are practising three times a week on the college grounds, under the watchful eyes of coaches Rowntree and Roberts.

The lacrosse club's colors are red and white, and they will play under the name, well-known to local lacrosse fans, of Talagoos.

The team expects to get inside practice in the next couple of weeks. Plans are being made for a gala opening night, some time near the end of May. The group in which the Talagoos will play will probably consist of Barrie, Sutton, Richmond Hill, Newmarket, and a North Toronto team.

A finance committee was

chosen at the Tuesday night meeting to organize efforts to provide the club with funds to get much-needed equipment. Members of the committee are J. O. Little, Tom Doyle, Bob Manning, G. A. Binns, A. C. West and Alex Georgas.

## ORDER OF SERVICE

Chairman, His Worship the Mayor—Dr. S. J. Boyd.

Opening Hymn—(Tune, St. Anne.)

(The Band will first play one full verse.)

O God our help in ages past,

The Chairman will briefly extend the welcome of this Municipality to all present.

(Please respond heartily to the words marked "All.")

Minister—The Lord is King. The earth may be glad thereof.

All—Yea, the multitude of the isles may be glad thereof.

Minister—The earth is the Lord's, and all that therein is.

All—The compass of the world, and they that dwell therein.

Minister—The Lord shall give strength unto His people.

All—The Lord shall give His people the blessing of peace.

Minister—Lord have mercy upon us.

All—Christ have mercy upon us.

Minister—Lord, have mercy upon us.

All—Our Father Who art in heaven, hallowed be Thy name;

Thy kingdom come; Thy will be done; in earth as it is in heaven. Give us this day our daily bread. And forgive us our trespasses, as we forgive them that trespass against us. And lead us not into temptation; But deliver us from evil; For Thine is the kingdom, the power, and the glory, for ever and ever. Amen.

Minister—Let us pray for our King:

O Lord our God, Who upholdest and governest all things by the word of Thy power; receive our humble prayers for our Sovereign Lord, King George; and as Thou dost this day set a crown of pure gold upon his head, so let wisdom be his guide, and let Thine arm strengthen him; let truth and justice, holiness and righteousness, peace and charity, abound in his days; direct all his counsels and endeavours to Thy glory and the welfare of his subjects; give us grace to obey him cheerfully for conscience sake, and let him always possess the hearts of his people. Let his reign be long and prosperous, and crown him with everlasting life in the world to come; through Jesus Christ our Lord. Amen.

Minister—Let us pray for our Queen:

Almighty God the fountain of all goodness, give ear, we beseech Thee, to our prayers, and multiply Thy blessings upon Thy servant Elizabeth, consecrated in Thy name this day to be our Queen; defend her evermore from all dangers; make her an example of virtue and piety; and grant that she may adorn the high dignity she hath obtained; through Jesus Christ our Lord.

Hymn—

(The Band will first play one chord.)

O Canada, our father's land of old,

Scripture Reading—St. Matthew 22, 15-22.

Minister—Let us pray for our Empire:

Almighty God, Who rulest in the kingdom of men, and hast given to our Sovereign Lord King George a great Dominion in all parts of the earth; draw together, we pray Thee, in true fellowship the men of divers races, languages, and customs, who dwell therein, that, bearing one another's burdens, and working together in brotherly concord, they may fulfil the purpose of Thy providence, and set forward Thy everlasting kingdom. Pardon, we beseech Thee our sins and shortcomings; keep far from us all selfishness and pride; and give us grace to employ Thy good gifts of order and freedom to Thy glory, and the welfare of all mankind. Through Jesus Christ our Lord. Amen.

Hymn—(Tune, 'Sandon'.)

(The Band will first play one full verse.)

All thanks and praise be unto Thee O Lord,

Address by Capt. Aubrey Davis.

THE KING.

(The Band will first play one chord.)

God save our gracious King,

## MRS. COLLOTON ADDRESSES W.I.

Women's Institute members  
from Nobleton, Kettleby and  
Schomberg were addressed by  
Mrs. R. B. Colloton of Lorne  
Park, provincial president, on  
Thursday afternoon last week in  
the club room.

Fifty ladies listened to her fine  
address on parliamentary pro-  
cedure as it applies to Institute  
work. She urged W. I. women  
to be sporting enough to accept  
defeat at all times. Mrs. Colloton  
also dealt with the importance of  
district work and the work of the  
individual branch.

A vote of appreciation was  
moved by Mrs. Schoutz and  
Mrs. B. Skinner, after which  
the national anthem closed the  
meeting.

The directors, under the con-  
sensus of Mrs. Kay, served a  
very dainty lunch at small tables  
tastefully arranged.

The Institute also sponsored  
the tag day for the Canadian  
National Institute for the Blind  
on Saturday morning and after-  
noon, which proved most suc-  
cessful.

The young people with boxes  
and tags were out bright and  
early to tag one and all for this  
worthy work.

Mrs. E. Brydon of Toronto,  
also Mr. and Mrs. Norman Rogers  
visited Mr. and Mrs. T. Brown  
on Sunday.

Mr. and Mrs. Pete Stonehouse  
and family visited Mr. and Mrs.  
T. D. Bell in Toronto on Sunday.

Mrs. Jas. Brydon left on  
Sunday to spend some time in  
Lindsay with Mr. and Mrs. Percy  
Skitch.

Mrs. E. Carter and son Lorne  
spent the weekend with Mr. and  
Mrs. W. L. McGowan.

Miss Lorna Dillane was home  
during the weekend.

Mr. Webster of Lansdowne,  
Ont., is spending the summer  
months assisting Dr. A. H.  
MacLeod.

Mr. and Mrs. E. Winter and  
family of Cookstown visited Mr.  
and Mrs. H. Kitchen on Sunday.

Miss Nora Creyke, teacher at  
Jordan Station, spent the week-  
end with her parents, Mr. and  
Mrs. Alex Creyke.

Mrs. Tatton Holloway was a  
weekend visitor with his parents,  
Mr. and Mrs. Holloway, in town.

Mrs. E. Marchant and Mrs. F.  
V. Abbott attended the life  
members' annual meeting of the  
Diocesan W. A. in St. Thomas'  
church, Toronto, on Monday.

"I don't know, darling. That's  
for you to tell me."

It wasn't easy for her. She  
was stricken with the same in-  
articulation that had overtaken  
him when he had tried to talk  
to Dorcas at the costume party.

At last she began:  
"Bill, I don't know how to say  
this but . . . I know you must  
have wanted me to marry you or  
you wouldn't have asked me. Are  
you satisfied with me? With every-  
thing as it is?"

"Of course I am, Alix. I don't

know what you mean. Aren't  
you happy with me?"

"Yes, I am, Bill. Happier than  
with anyone else, but . . . oh, Bill,  
I have to tell you something. I  
was in love with someone one  
time."

"I guessed, Alix. I was in love  
with someone, too, but, after all,  
we're both pretty grown up and  
what happened in the past has  
nothing to do with today."

"Is that why you've never told  
me you loved me?"

Bill didn't answer her directly.  
He said: "Don't you know how I  
care for you?"

Her answer was to put her  
hand in his. Then she said, "If  
that's the way you feel, Bill, and  
you're quite sure, it's all right  
with me. I need you . . . need  
you badly."

If that was their moment to  
undo anything that needed to be  
undone, the moment went past  
when Alix said she needed him.  
Bill had always known that and  
that made it all right for him.  
He needed someone, too.

They decided to be married on  
Saturday, Oct. 15.  
There was a three-line notice  
in the Bairdsville Clarion. It said:  
"The marriage of Miss Alix  
Carey, daughter of the late Mr.  
William Boyd, Jr., will take place  
on Saturday afternoon, Oct. 15,  
at the home of Miss Mae  
Alexander."

It was short but it was enough  
to bring pandemonium into the  
little decorating shop.

There was a procession of cars  
lined up an hour after the notice  
appeared in the Clarion. The  
telephone rang incessantly. All  
the girls and matrons, old and  
young, that Alix had met in her  
10 months in Bairdsville, as well  
as many whom she had not met  
but who remembered her as a  
child came to greet her, to tele-  
phone her and wish her good  
luck.

She was immensely touched by  
it and saw that quality that so  
many city girls would never  
know, that bond that exists even  
where there is no kinship.

Her beauty, Bill's charm, the  
rumors of the home that they  
were going to build—these and a  
hundred other things were a  
source of wonder shared by  
strangers and friends alike.

To all their queries Alix said  
bewilderedly, "We're not quite  
sure yet," or "I'll have to ask  
Mae."

Mae was running the whole  
wedding apparently after win-  
ning a hard battle with Miss  
Lizzie Ellis. It was Mae who  
ordered the wedding announce-  
ments, decided that Alix was  
going to wear a blue organza  
gown, and fixed the hour of the  
wedding at her house.

"If only you'd marry Bill and  
let me run the business until you  
come back from my honeymoon,  
Mae, I'd feel that everything  
would be perfect," Alix said to  
her one late afternoon when Mae  
had finished checking and re-  
checking the list of guests.

"You're a fine one to talk, Alix  
Carey, and if I were you I'd be  
so proud and happy, I'd shout  
from the housetops that no one  
could have my Bill. My, you  
ought to be thrilled to death  
having all these people telephon-  
ing you and coming in to see you  
just to tell you what a wonderful  
boy he is!"

"I am, Mae. I'm terribly proud.  
I can't understand it. I can't see  
why it should happen to me. I  
can't believe it could."

"Well, it has, so there's no  
reason to look as if it were a  
miracle you just imagined. Oh,  
that telephone!" She broke off  
and picked up the instrument.  
"Hello . . . Hello . . . Mrs.  
Graham . . . No, this is Mae. . .  
I said this is Mae. . . Oh, I'll  
tell her. She's busy now. You're  
coming to the wedding, aren't  
you? That's fine. Yes, at six  
o'clock." She rang off.

"I didn't think you wanted to  
talk to her. She's so deaf. Well,  
I guess that exhausts that list. Is  
there anyone in all Bairdsville  
that you know who hasn't been  
around with good wishes?"

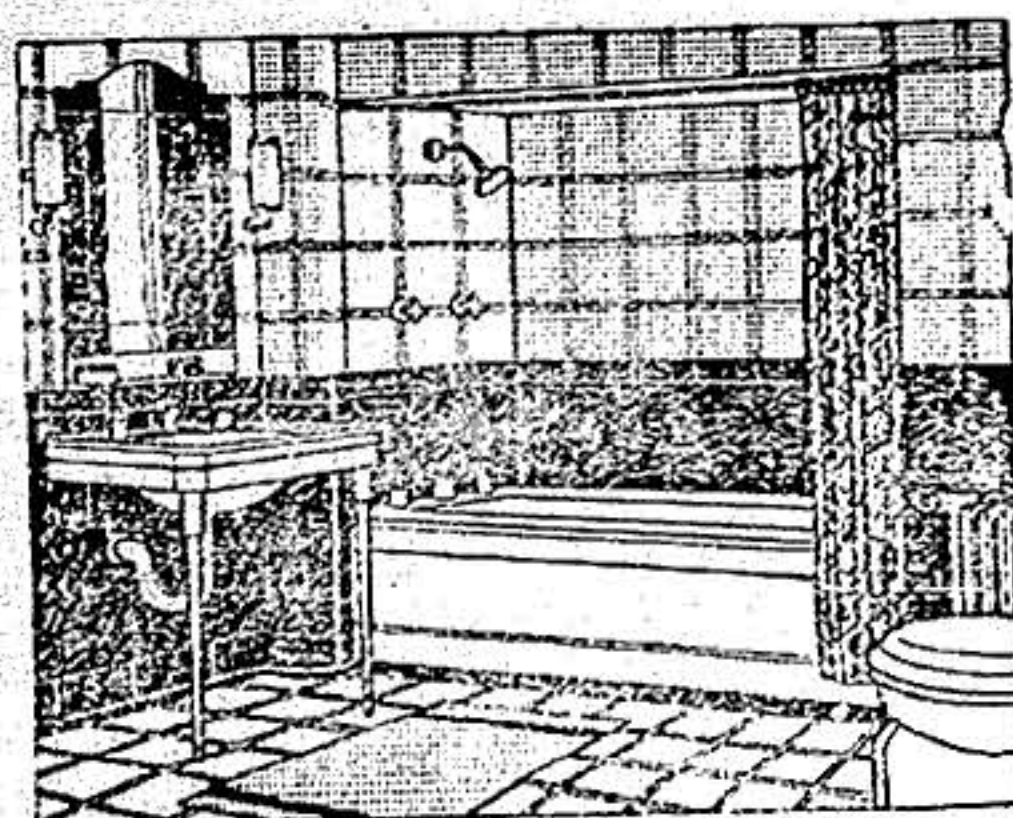

Alix stretched out on one of  
the lounges that was for sale and  
said slowly, "Yes. Only one."  
"Who?"  
"Dorcas Hill. Do you know of  
any reason, Mae?"

## HOME Improvement YEAR

The Year For  
Putting Men Back to WorkA MODERN BATHROOM  
Is More than BEAUTIFUL

The truly modern bathroom is economical, for it cuts repair bills. It's a sound investment, vastly increasing the re-sale value of your home. It's a convenience, appreciated by every member of the family. And the admiration and praise it brings from guests makes it well worth much more than its low cost!

You'll find the cost of a modern bathroom surprisingly reasonable.

We'll be glad to help arrange for long-term financing if you wish.

Chairman's  
Message

As you are doubtless aware a committee has been formed to assist in the local application of the small loan scheme inaugurated by the government of the Dominion of Canada, in co-operation with the chartered banks, with a view to encouraging repairing, renovating and remodeling of homes.

During the period of depression, it was inevitable that in many cases financial circumstances of our citizens were such that it became impossible for them to give proper and needed attention to the maintenance of their dwellings.

The placing at the disposal of all responsible persons of the means of borrowing at reasonable interest rates, with a minimum of red tape, sums from \$50 to \$2,000 for the purpose of repairing and renovating homes is therefore most timely. It is felt and hoped that many residents of this district will avail themselves of the opportunity thus afforded.

Not only will the arrangement make it possible to go forward with the long overdue activity in this respect, but it will be the means of providing very considerable employment. I earnestly recommend that those affected consider taking the fullest advantage of the facilities now at their disposal, and to communicate with any member of the Home Improvement Committee, who will be glad to render all possible service.

Sincerely yours,  
T. F. DOYLE,  
Chairman, Newmarket Home Improvement Committee.

## Hope

Mrs. G. Broderick is ill. A speedy recovery is hoped for. The Hobby Club will meet on May 13 at the home of Miss L. Tansley.

Government Aids Citizens  
To Improve, Repair Homes

The movement to enable people to repair and modernize homes that have had to be neglected during depression years, and at the same time to provide gainful occupation to unemployed, is being given a definite application in Newmarket. For the first time in years, money is available for much-needed home improvements, and local householders, merchants and contractors are working together to see that this money serves a useful purpose.

Funds for the purpose of extending, altering, repairing and redecorating your home may be obtained under the generous terms of the dominion government Home Improvement Plan. The money is to be loaned on a discount rate of 3 1/2 per cent, that is, if you borrowed \$100, you would give your note for that amount and receive \$96.75 in cash and you would pay back \$8.34 each month during the year, if borrowed for one year. This would completely pay the debt.

This is the only cost. No other charge can be made by the bank. The discount rate varies with the term of the loan, which may extend over a term up to three years, but the rate is fixed by dominion government actuaries. The discount rate of 3 1/2 per cent on a one-year loan is equivalent to an average interest rate of 6.32 per cent on the average unpaid balance of the loan. On a two-year loan the effective interest rate is 6.22 per cent, and on a three-year loan 6.20 per cent.

Loans are made to persons up to \$2,000 and can be repaid over a term to be arranged up to three years.

The Mayor's  
Message

The following endorsement of the Home Improvement Plan was given The Era by Mayor Dr. S. J. Boyd.

It is admitted by all students of economic conditions that prices of building materials are advancing rapidly. The government is encouraging all property-owners to make long delayed improvements and extensions during this summer, and to assist the general home improvement plan the government has extended an easy loan plan to all people who have either an income or a salary, and can pay it back in monthly instalments.

People who are in a position to pay cash for improvements are better advised to do so and save the necessary interest that always accompanies a loan. No matter how the financing is done, the point is to make your improvements now for your own advantage. In addition, so many persons making a little improvement throughout Canada will, taken all together, have a wonderful effect on the unemployment situation.

they can sign a petition for a sewer."

Dr. Dales said that there had been criticism of the slowness of the town's county council representatives in not securing the county coronation celebration.

"I refuse to accept any criticism in the matter," said Dr. Dales. "Last year we had the county warden. This year Aurora has a county commissioner, and must get some consideration. When the county celebration was first broached, the county was not going to pay anything. Later it was decided that the county would pay 60 per cent."

"We do get some things for Newmarket. There is a \$2,000 grant for the hospital here."

"Then there are 20 miles of highway which we should be busy about, getting the province to acknowledge the principle of that highway."

"A representative from Peterboro was here to see me the other day and he said that the route should be left with the department," said Dr. Boyd.

"The highway is needed, no matter where it goes," said Mr. Evans.

"Then we are trying to get a police court here. It's time that some people made up their minds about who they want to appoint."

"Isn't the appointment a matter for the attorney-general?" asked Dr. Boyd.

"No, it's a political matter," Dr. Dales said. "You're in politics. You should know. The provincial member should make up his mind."

"Mr. Baker told me the other

day that the appointment would be made shortly," said Mr. Mathews. "When the appointment is made, he said that Newmarket would get the court. Mr. Baker has done everything he can."

"The matter should be brought to the attention of the new attorney-general," said Dr. Dales.

"Mr. Baker has brought the matter to the attention of the new attorney-general," said Mr. Mathews.

"If the member shows strength we will get the court," said Dr.

Boyd. "If he shows weakness, we won't get it."

On motion of Dr. Dales and Mr. Osborne, the council adopted the following resolution: "That this council strongly urge the Hon. Paul Leduc, attorney-general of Ontario, to arrange at the earliest possible moment for the establishment of a regular sittings of a police court in Newmarket, which project has been under advisement by the government for over two years."

everything."

Mr. Mathews stated that Newmarket citizens would pay just as much and probably more if the federal and provincial governments looked after indigent medical bills.

"I objected at the time to assuming responsibility for mothers' allowance and pension cases," said Deputy-Reeve Joseph Vale.

"But why should it fall on the six doctors of the town?" asked Dr. Dales.

"Under the old plan the town would have been assessed only \$100 for \$1,500 worth of work," Dr. Dales said.

"But why should the town pay for them?" asked Mr. Evans.

"The law puts the responsibility on the municipality for the indigent, not on the doctors," said Dr. Dales.

A by-law limiting to two the number of pigs that a property-owner may keep in town, was asked by Dr. J. H. Wesley, M.O.H. Dr. Wesley was accompanied by J. R. Y. Broughton, a member of the board.

Dr. Wesley told of a complaint about one man keeping six pigs in town. "The pigs have now been removed, but we don't want it to happen again," said Dr. Wesley. "The town solicitor told us that without a by-law we were powerless to act."

Dr. Wesley proposed construction of a new sewer along Niagara St. leading into a Simcoe St. sewer. "This would take care of a dozen cess-pools. Conditions there are very bad."

"How can we deal with this?" Dr. Dales asked Mr. Mathews.

"There are three ways this can be done," said Mr. Mathews. "First is a petition by two-thirds of the ratepayers concerned. Next, the council may announce its intention to go ahead, and ratepayers may petition against it. The third way is if the provincial board of health orders it done. In the past, all local improvements, with the exception of the Eagle St. sewer, have been done by petition."

"The cess-pools overflow," said Dr. Wesley.

"The board of health should order these property-owners to put in satisfactory cess-pools," said Mayor Dr. S. J. Boyd. "If they can't build new cess-pools,

Official Forecast That Eggs Will Be Scarce From September to January . . . Chicks and Pullets for May Delivery at Prices You Don't Expect Till June

THERE always has been money in May chicks, when you bought quick-growing stock that would develop to laying at five months old. Five months from May is October, which is right in the high-egg-price season. This year's opportunity for May chicks is probably the best it has ever been. You can buy chicks or started pullets today, for May delivery, at prices you don't expect till the middle of June. You have the Department of Agriculture's official forecast that eggs will be scarce (and, therefore, high-priced) from September to January. And there is every likelihood that feed prices will drop away down, as soon as this season's crop is harvested. The fellow who has eggs to sell between September and January should be able to make more than make up for the past winter's unfavorable situation.

**Buy Started Pullets That Will Lay In September**  
We can supply you with pullets that are well started, and will be laying in early September (or before) if well fed through the range period. They are now three to 10 weeks old, and they are from our famous "Extra-Profits" stock which has built up a country-wide reputation for rapid development, early eggs, large eggs, and the necessary ruggedness to stand continued heavy laying without moults or set-backs. We have any number of reports showing "Extra-Profits" pullets up to 50% production at six months old, and continuing at 50% to 70% production through the entire Fall and Winter. We can give you your choice of seven popular breeds. Pullets three weeks old and upward in all breeds, and up to 10 weeks in some breeds.

**Some Prices Reduced \$7.00 Per Hundred**  
We are going to clear these pullets in May, at prices away below our April quotations. We can also supply day-old chicks and sexed pullets, in all breeds, at correspondingly low prices—for immediate delivery. (Some of our May prices are \$7.00 per hundred lower than previously published in this paper.) They are the most outstanding values we have ever offered to the poultry-raising public. Don't buy till you see this May price list, and get full particulars about the rapid development of Bray's "Extra-Profits" stock. Call, write, or 'phone TODAY.

## KESWICK VISITING CHOIR HELPS SERVICE

Both services at the United church on Sunday were in charge of Rev. C. E. Fockler, who gave splendid addresses. The choir of Queensville United church led the musical part of the evening service. This is a very excellent choir and the Keswick congregation enjoyed their music very much, appreciating too, their kindness in coming to their church.

Very fine solos were sung by Messrs. Terry Doane and Murray Huntley.

#### Sunday-school Attendance Pleases

The Sunday-school of the United church is having a wonderfully encouraging attendance each Sunday morning. All are welcome as there is a class for each and every age from adult to small children. The time for commencing is 10 a.m. standard time.

Mrs. Frank Marritt was in charge of the opening exercises on Sunday and Joan Peel acted as leader. The 23rd psalm was read by Doris McGenerty and by Myrtle Link, first in English, then in Indian. It was very interesting.

Mrs. Marritt told a story relating to the missionary's work, which was greatly enjoyed. This with the regular hymns and prayers, made a very fine service. There will be a special Mothers' Day service during the Sunday-school hour on Sunday, to which all the parents are invited. The regular Mothers' Day service will follow in the church at 11 a.m.

The coronation day service will be observed at the evening service at 7.30 p.m. There will be special music at both services.

The monthly W. M. S. meeting is to be at Mrs. J. C. Cole's home on Thursday. All members and those interested are given a cordial invitation to attend.

**Express Thanks**  
The Young People's Bible class appreciate greatly the response given to their play, "Three Pegs," and sincerely thank all who in any way assisted in making it so very successful.

During the summer months the class will meet with the whole Sunday-school at 10 a.m.

**Play Much Enjoyed**  
Congratulations are offered to Mrs. Wm. Vail and those of the United church Young People's Bible class who produced the very much enjoyed play, "The Three Pegs," in the school on Thursday evening.

It was one of the most interesting three-act plays given here for some time, and meant a lot of work to the leader and cast. The girls taking part were all wonderfully good, and surely do deserve a lot of praise in making difficult character parts sound true to life.

In the cast were: Misses Velma Morton, Roslyn VanNorman, Mrs. Harold Wilkinson, Mrs. Gordon Harper, Mrs. Bernard Rye, Misses Nellie Hamilton, Hazel Prosser, Irma Hirst, Ruby Sheppard.

Rev. Mr. Fockler was chairman. Mrs. Vail, teacher of the class, who has given a lot of time

and thought to make this a success, gave a short and pleasant address. Others who spoke briefly were, Mr. Pat Murphy, president of the class, Reeve Morton, and Mr. Frank Marritt, Sunday-school superintendent.

Miss K. Sedore was in charge of the extra program and gave a very nice piano solo, and requested reading. Mr. Luther Draper recited, and the class, with Mr. G. Altridge taking the solo part, very pleasingly gave a coronation chorus.

The class may repeat the play here later, and have been asked to repeat it at Ravenshoe. If they do it will be announced later. A good crowd was present and the proceeds for the work of the Sunday-school were gratifying.

#### Christian Church

There will be a special Mothers' Day service in the Christian church on Sunday at 11 a.m. Graduates from Bible College

Congratulations are offered to Mr. Serrick, who graduated last week from the Bible College, at Toronto, at a very lovely and impressive service at the arena in Toronto, which was attended by 3,000. Many graduating leave for African and Chinese mission fields at once.

#### Personal

Mrs. Jack Smith dislocated her shoulder last week.

Miss Marjory Sedore has had her tonsils removed and it is hoped her health will be much improved.

Sucker fishing is the sport just now.

Mr. and Mrs. Stevenson and family spent Sunday in Toronto with their son Murray.

Mr. and Mrs. Travis of Aurora were visiting here on Sunday.

Mrs. Connell Marritt spent a few days in the city, where she attended the wedding of Mr. and Mrs. Burton Ritchie.

Miss Ruth Morton is the guest of her uncle, Mr. E. Morton.

Mrs. Dan McGenerty is building a new booth in front of their home.

Mr. and Mrs. Ritchie and son Clifford were guests of Mrs. Connell Marritt on Sunday.

Mr. D. York is the guest of Mr. and Mrs. Roy Pollock.

Mr. and Mrs. Billie Sedore motored to Woodstock on Sunday.

Mr. Billie Sedore is one of the local men who have started the bathing season. He said the water was lovely.

Mrs. Warriner of Markham is the guest of her sister, Mrs. Chas. Willoughby, this week.

#### Bethel

Now that the roads have improved, and sickness is clearing up, the attendance at this appointment is improving, although a few are still unable to be out. There was a good attendance at the Sabbath-school and excellent interest in the classes. One teacher was absent through illness.

Mr. Butler, who is taking the work here, is making a good start, although the incoming pastor has a hard place to fill.

#### MARKETING ACT

Continued from page one  
"The act is not set up for the purpose of running farm industries, but is set up for the purpose of giving the farmers power if they want it. Where the majority want to organize, the act gives them power to organize 100 per cent."

The growers themselves can decide what powers they wish to use, he said.

"What per cent do we need to obtain this power to regulate our marketing?" Prof. Day asked, stating that between 75 and 90 per cent of the growers had already signed up.

"That should be sufficient," the commissioner replied.

At the close of the meeting a resolution was passed authorizing the directors of the co-operative to investigate the possibility of organizing under the act.

#### UNSATISFACTORY NOW

Continued from page one  
in Aurora," said Councillor W. W. Osborne.

Councillor Frank Robinson said that the two men collecting garbage now have two assistants helping them.

Dr. Dales said that there would be \$50 a week available to pay a man to remove all garbage, and that that would be sufficient to take care of any help needed.

Burning of garbage in private incinerators causes an unpleasant odor in the Prospect St. district, a citizen complained to one member of the council.

"The garbage situation can be improved," said Dr. Wesley. "It should be collected under the supervision of the town. Neither of the two men doing it now is doing it satisfactorily. The stuff is piled loosely on the wagons and blows all over the street. They do not call regularly when they should."

"What about manure being piled near the sidewalks?" asked Dr. Dales.

"There is a by-law covering that," said Mr. Mathews.

"In seven years I have never seen the sanitary inspector in any backyard," said Councillor Geo. Williams.

"I don't think Tom Hall can be blamed for anything," said Dr. Wesley. "He is always very willing."

"He just come on the job," agreed Mr. Williams.
